# Cacao Nibs

## Super Food & Brain Food

Our cacao nibs come from our cacao trees planted in **Banting, Selangor**, and go through **fermentation, sun-drying, roasting, de-shelling, and cracking processes**. The nutrients are retained due to the light processing of the beans.

Unleash your culinary creativity by incorporating our organic raw cacao nibs into **smoothie bowls, granola, or sprinkles** over yogurt for a delightful treat. **Perfect for baking, cooking, or simply enjoying as a wholesome snack.**
